

Don't forget to read your Home Reading Books, practice your Weekly Spelling Words in time for your test and learn your Times Tables.

- Create your own poem about flowers and insects. Challenge yourself to use rhyme.
- Create a book about a superhero insect who saves the day. Remember to include a front cover. You can create an e-book on computer or make one from paper.
- Write a letter to Superworm asking him for help.

English

- Create your own favourite model insect for our own class bug garden. You can use junk modelling, paint or clay.
- Film a video of your own bug hunt and explain what you found. Look in a garden, park or forest. Remember to look under rocks and logs.
- Create an information poster or video about an insect of your choice. Get creative. You can be as big and bold as you like.

IPC

Year 1 Home Learning is due to be completed and returned in your Purple Book by Monday 22nd May 2017. Please remember that you should try to complete at least three pieces of Home Learning from the passport.

### Home Learning at Shacklewell

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
