Year 1 Home Learning is due to be completed and returned in your Purple Book by Tuesday 13th December 2016. Please remember that you should try to complete at least three pieces of Home Learning from the passport.

- Our IPC unit for Autumn 2 is The Magic Toymaker. We will be looking at toys from the past. Ask your parents/careers about the toys they played with as a child. Draw a picture of the toy and label how it worked.
- We would like to know all about your favourite toy from home. Write a fact file about your toy. How old is it? How do you play with it? Does your toy have a name? We will be looking at how different mechanical toys work. Research a toy that you are interested in and explain how it works. For example: How does a spinning top work? How does a toy train track work?

Home Learning at Shacklewell

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
