

# HOME LEARNING

# MAKER MAT

**Please complete at least 4 activities and return your projects by Monday 26th March**

Design and make a multiplication board game.

Research foods produced in our host country, the United States of America.

Create a poster featuring a picture and information about an inspirational figure in your life.

Cutting pieces from newspapers and magazines, can you create a collage of a family member or friend?

## Year 4

Can you create a visual representation of your network of friends? This can be a picture, sculpture, digital representation, etc.

Create a film, story or comic strip of your life.

Conduct a survey into people's favourite vegetables. Present your findings as a bar graph or pictogram.

Using your findings, design a meal using your friends'/family's favourite vegetables.
