

## Computing

*During this term Year 6 will be refining already existing computing skills. The children will be developing their use and understanding of a variety of coding languages.*

*The children will also develop their online portfolio of work through the use of the Google applications Docs, Sheets, Slides and Classroom.*

## Reading

*This term we will be continuing to follow the 'Year 6 SFA programme'. This reading comprehension programme helps the children develop their reading and comprehension skills. We will use deduction and inference obtaining evidence from the text.*

*It is important that the children continue reading at home. Please support your child to complete their reading Journal focus question each week.*

# Shacklewell Primary School

Curriculum  
Information  
Autumn 2

## Religious Education

*In RE we will be studying the Buddhist community both in a global and local context. The children will be able to understand the way Buddhists lead their lives. Alongside this the children also have to make connections between Buddhism and other groups and belief systems, including their own personal beliefs. In PSHE (Personal Social Health Education) we will be learning what it means to set goals and have the resilience to achieve*

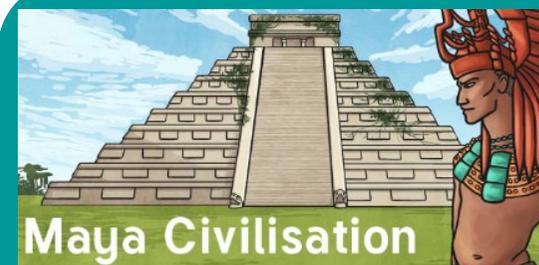

## Home Learning

*We were amazed by your creative and inspiring Maker Mat learning last half term.*

*The deadline for this term Maker Mat projects is the 11th of December although we would love to see them arriving at any point so we can celebrate across the half term.*

*We will also continue with our weekly homework, handed out on a Friday, and due back on the following Wednesday. Pupils must continue to practise their spellings for a weekly test on Thursday morning.*

# Year 6

# AD900

## IPC Topic

Like the Egyptians Mayans are well known for the pyramids they built and much more. This unit will allow the children to investigate and find out more about this culture from the buildings and artefacts they left behind. They will also be able to identify how these people have impacted on the world we live in today.

We will be focusing our study around the UK, Mexico and Benin (Nigeria our host country). The children will be completing research and varied tasks to develop their knowledge of these two countries.

REMEMBER OUR IPC

PERSONAL LEARNING GOALS

Adaptability

Cooperation

Resilience

Enquiry

Morality

Communication

Respect

Thoughtfulness

## PE

This term the children will be learning to develop their endurance levels, whilst developing strategies for invasion games. Our PE Coaches will be encouraging the children to take an active role in team activities, using problem solving and teamwork in order to be successful.

Children in year 6 will have a teacher led PE session per week. This session will complement the skills from the sessions taught by the PE Coach every Thursday. Children must come in the correct PE kit on Thursdays.

## Writing

This term in English we will be continuing to complete different genres of text: persuasive, explanation and discursive writing. They will also apply their knowledge of punctuation and grammar to their work. In the last two weeks of term we will be completing our Writing Weeks on 'Romeo and Juliet'

In these two weeks, the children will be reading, investigating and writing their own pieces of work in the style of Sir William Shakespeare.

## Mathematics

This term the children will be focusing on finding fractions of an amount, adding, subtracting and multiplying fractions. We will then move onto measurement and shape, practising problem solving through SATS questions, and arithmetic challenges.

Areas of study:

- Calculating problems
- Fractions
- Percentages
- Angles and length
- Using and applying

**How you can help me at home:**

You can help me with my reading, ensuring that I read regularly each evening. You could ask me questions about the book I am reading to further my inference and deduction skills.

For IPC, our host country is Mexico. At home we could use our enquiry and thoughtfulness skills, to find out more about the culture of Brazil.
