**R.E: Brilliant Club Oxford University Visit**

UNIVERSITY OF  
**OXFORD**

Dear Parent/Carer,

This term, all three schools in the New Wave Federation will be running the 'Brilliant Club' programme for pupils in Years 5 and 6. The pupils involved will be participating in a 6 week project in either Engineering or Philosophy, with specialist tuition from PhD candidates.

The children will begin their project with a visit to Oxford University, where they will meet faculty members and current students, tour the campus, and take part in an introduction to their project subjects. This trip will take place on the **11<sup>th</sup> November 2016**. They will then have weekly tuition sessions, before presenting their projects to their schools and their parents at the end of term. The project will also include additional homework, which the children will need to complete each week as part of their studies.

The coach for the Oxford University visit will leave from **Grazebrook Primary School**, at **8:45am** on the morning of **Friday 11<sup>th</sup> November**. The children will return to Grazebrook at **5.00pm** on the same day.

I am pleased to inform you that your child has been selected to be part of this programme. If you would like them to take part, please complete the permission slip at the bottom of this letter and return it to the school office at your earliest convenience. If you have any questions, please feel free to contact me at the school.

Yours sincerely,

Rory McGrath  
Assistant Headteacher
