R.E: Particle Physics Workshop

Dear Parent/Carer,

On **Tuesday the 18th of October**, the physics department from University College London will be visiting the New Wave Federation. They will be working with children from Years 5 and 6, developing their understanding of physics, astronomy and scientific principles.

Your child has been invited to participate in a particle physics workshop, run by staff from UCL. This workshop will take place at **Woodberry Down Community Primary School**. The workshop itself will begin at 2pm, and end at 3pm. The children will be working with professional researchers, and will be developing their understanding of atoms, elements and the structure of different materials.

Your child will **not** need a packed lunch, as they will be departing from school after lunchtime. They will return to school before the end of the school day, and you should therefore pick your child up from school as normal.

If you would like your child to participate, please complete the form below and return it to the school office by the morning of Tuesday 18th October. If you have any questions, please feel free to contact me at the school.

Yours,

Rory McGrath
Assistant Headteacher

NAME OF CHILD: _____

CLASS: _____

- I give permission for my children to attend the particle physics workshop.
- I **do not** give permission for my children to attend the particle physics workshop.
