**Stretch Academy Program**

Dear Parent/Carer,

We would like to invite your child to join a preparation program for Year 5 students who are likely to sit entrance tests for selective schools next academic year. The 'Stretch Academy' is designed to give children within our schools the opportunity to understand and practice the types of questions which are usually set in the tests, as well as developing their English and maths skillset.

Your child's progress and attainment show them to be capable of doing well in these tests. However, they are under no pressure whatsoever to undertake these exams; they are welcome to attend the program simply to enhance and develop their learning. Your child is thus invited to attend a weekly after school tutoring session as part of the Stretch Academy program, at Woodberry Down Community Primary School, on **Thursdays from 3:45pm to 5:00pm**. The program is completely free.

As always, collaboration between home and school learning is vital in this process, and your child will have an amount of homework (especially in the second half of the year) to be completed outside of school hours.

Please complete the attached form and return it to the school office by the **21<sup>st</sup> October 2016**. The first session will be on **Thursday November 3<sup>rd</sup>**. If you would like any further information, or would like to discuss the matter, I would be delighted to answer any questions you might have.

Yours respectfully,

Rory McGrath  
Assistant Headteacher

NAME OF CHILD: \_\_\_\_\_ CLASS: \_\_\_\_\_

I give permission for my child to participate in the Stretch Academy

I **do not** give permission for my child to participate in the Stretch Academy.
