Thursday 17th November 2016

Dear Shacklewell Families,

Visit from the Apple Education team.

We are delighted to let you know that our federation has been asked to take part in filming for a story about how we use mobile technology in our classrooms.

A team from Apple will be coming to our school on Thursday December 7th to take photos of your child's class. If you are happy for your child to be photographed then please can you sign the attached release form and return it to school as soon as possible.

This is an excellent opportunity to showcase some of the amazing learning your children carry out in school and will help us to support other schools who are beginning to use technology in their settings.

Thank you again for all your support.
