The Garden School Trip

Dear Parents and Carers,

You may be aware that it was Autism Awareness Week before the Easter break (27 March- 2 April 2017). As part of our ongoing work with The Garden School and in celebration of Autism Awareness Week, 4S has been invited to the school for a morning of dance, art, drama and music activities. This presents a wonderful opportunity for the children to learn about autism and to make some new friends whilst having lots of fun together!

On the day, The Garden School will be joined by The Drummer Agency who have been commissioned to make a short film about the school, the needs of their pupils and to raise awareness of autism. Please indicate on the reply slip if you are happy for your child to be filmed and if you consent for your child's image to be used by The Garden School.

If your child requires medication, please ensure it is in school and that it is in date, as your child will need to bring it along. Please also ensure your child wears suitable clothing and footwear for the weather and for walking to The Garden e.g. waterproof coat and suitable shoes.

Finally, please sign the slip below indicating your consent and return it as soon as possible. If you have any questions please do not hesitate to ask.

Kind regards,

Ms Lewis
