28<sup>th</sup> February 2017

Dear Parents/Carers,

**RE: New Wave Choir Performance**

We are delighted to inform you that the New Wave Federation Choir will be joining together for a performance at **2.30pm on the 24<sup>th</sup> of April at Woodberry Down Primary School**. We are really excited to share the talent of our children across the three schools with you.

The choir will be performing a variety of songs. All the music can be found online following the link: [www.tinyurl.com/newwavechoir](http://www.tinyurl.com/newwavechoir) Please encourage your child to practise the songs as much as possible.

Key Stage 2 children will be rehearsing during the morning of the 24<sup>th</sup> of April at Woodberry Down Primary School. Children will need to bring a packed lunch and may bring an additional bottle of still water in a plastic bottle. Shacklewell is an allergy friendly school. This means we have children with severe allergies to nuts, sesame seeds which include products such as humus. Please avoid these products in packed lunches. Our catering team are able to provide a packed lunch for children entitled to free school meals- please indicate this on the return slip.

For the performance, the children will need to wear clothes that are **black, white** or **red**. As this will be a formal occasion, please do not allow your child to wear football shirts or clothes with obvious logos.

Tickets for this event are limited so please reserve your ticket at the Shacklewell school office as soon as possible to secure your seat.

Please arrange for your child to be collected at 3.30pm from Woodberry Down Primary School after the concert ends. If it is not possible to collect your child at 3.30pm, please indicate this on the permission slip below and they will be taken back to Shacklewell to be collected at 4.00pm.

Please complete the permission slip below and hand it into the Shacklewell school office before the 27<sup>th</sup> of March. I look forward to seeing you at the concert on the 24<sup>th</sup> of April.

Many thanks,

Natalie Cave  
Federation Music Co-ordinator
