

English

In English we will:

- continue to learn new sounds and build reading fluency in RWI
- read *Beegu* and *The Lion Inside* and write simple descriptions of the characters, settings and plots
- use capital letters consistently and correctly
- leave spaces between words

Maths

In maths, we will be learning to:

- make numbers within 20, including learning our number bonds to 10 and 20
- double and halve
- use part whole models and ten frames to represent addition and subtraction within 20
- identify 2D and 3D shapes and investigating repeating patterns

Science

Our topic is, 'Everyday Materials',
We will be learning to:

- distinguish between an object and the material from which it is made
- describe the simple physical properties of a variety of everyday materials
- compare and group a variety of everyday materials on the basis of their simple physical properties

Geography

Our topic is, 'Map It!': We will be learning to:

- use directional language and the four main compass points to direct someone around the class, school grounds or local park
- identify some of the physical and human features found in the local area
- carry out simple fieldwork to collect data

Curriculum Information

new wave
federation 

Year 1 - Autumn 1

Computing

Our topic this half term is, 'Technology Around Us'. We will:

- develop our understanding of technology and how it can help in everyday life
- become familiar with the different components of a computer by developing keyboard and mouse skills
- consider how to use technology appropriately

PE

Our topics are, 'Hit, Catch, Run' and 'Send and Return'. We will:

- hit a ball with a hand or bat
- track and retrieve a rolling ball
- throw and catch a variety of balls and objects
- move towards a moving ball to return
- send and return a variety of balls

Don't forget to wear your PE kit to school on PE days.

PSHE

Our topic is, 'Family and Relationships'. We will:

- understand that families look after us
- explore how families can be different
- understand what positive friendships are and the importance of being friendly, welcoming and inclusive
- begin to understand what a stereotype is

Art and Design

Our topic is, 'Drawing Spirals'. We will be:

- looking closely at spirals in the natural world
- drawing spirals using a variety of different mediums, including charcoal and paint
- studying the artist Molly Haslund, who uses her body as a drawing tool
