

English

In English, we will:

- read RWI books to develop our reading fluency
- read, retell and talk about *I Want My Hat Back* and *My Hair*
- write simple stories and letters, punctuating sentences using capital letters, full stops, question marks and exclamation marks

Maths

In maths, we will be learning to:

- read, write and tell the time to o'clock and half past on an analogue clock
- sequence daily activities
- represent, sequence, explore and compare 2-digit numbers
- count in 2s, 5s and 10s
- describe and complete number patterns

Science

In science, we will continue with our **Animals and the Human Body** topic focusing on:

- identifying and labelling parts of the human body, saying which part of the body is associated with each sense
- carrying out investigations using different senses and making observations

Geography

Our geography topic is **England**.

We will be learning to:

- identify the physical and human geography features of a number of places in England, including:
 - London
 - The Peak District
 - Dover
 - The Forest of Dean

Curriculum Information

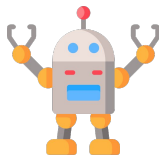

new wave
federation 

Year 1 - Spring 1

Computing

In computing, we will be **Moving a Robot**. We will be learning:

- what simple algorithms are and that they follow clear instructions
- to create and debug simple programs
- to predict the behaviour of simple programs

PE

Our PE topics this half term are: **gymnastics** and **fitness**. We will be learning to: use simple gymnastics actions and shapes and how to link them. We will take part in a variety of different types of exercise to improve fitness.

Please ensure your child wears their PE kit including plain black (or white) trainers on their PE days. PE days can be found on their class timetable on the school website.

PSHE and RE

Our PSHE topic is **Health and Wellbeing**. We will be learning about different emotions and the importance of sleep and good hygiene.

Our RE topic is **Faith Communities**. We will be discussing what is special about belonging to a group and understanding that some people belong to different religions.

Art & Design

In art & design, our focus will be on **Simple Printmaking**. We will be learning to:

- explore different materials that can be used for printing
- use a 'plate' to 'print' an image
- explore repetition, colour, line, sequence, symmetry and intention
