

Year 3 Homework Projects

It's time to get creative, Year 3! We would like you to use the materials you have at home to make one of the following:

1. A piece of writing using hieroglyphics.

2. A fact file about Ancient Sumer or Indus Valley.

3. A model showing how ancient civilisations used rivers.

Please hand in your projects by **Monday 31st March**. We can't wait to see them!
